

**The Costa Beach:** *Where Backyard Living Meets Coastal Luxury:* Turn your backyard into a seaside-inspired sanctuary with **The Costa Beach**, one of Rainforest Pools most popular fiberglass pool models. Designed for ultimate relaxation, social connection, and resort-style vibes, *The Costa Beach™* brings the vacation to you—every day of the year.

**Oversized Baja Shelf** – Featuring an extra-wide tanning ledge perfect for loungers, beach chairs, and splash play for the little ones. It's your personal sun shelf—right at home.

**Smooth, Freeform Curves** – A modern, organic shape that complements both contemporary and natural landscapes. Stunning to look at. Even better to swim in.

**Entertaining Made Easy** – With built-in seating areas and generous swim space, *The Costa Beach™* is made for gatherings, games, or peaceful solitude.

Whether you're sipping drinks on the Baja shelf or hosting summer BBQs by the water, **The Costa Beach** is more than a pool—it's a lifestyle upgrade.

**Rainforest Pools N Composites – Where Craftsmanship Meets Paradise - Let's build your dream escape.** Manufactured in Longwood, FL, USA // Distributing Nationwide
