

# ROATAN BEACH

FACT SHEET

***The Roatan Beach: Island Relaxation. Backyard Ready.*** Bring the island lifestyle home with *The Roatan Beach*, one of Rainforest Pools most stylish and versatile fiberglass pool models. Inspired by the stunning shores of Roatán, this design combines effortless elegance with everyday functionality—perfect for homeowners who crave a beachy escape without leaving home.

## Features You'll Love

- **Expansive Baja Shelf** – Lounge in luxury on the oversized tanning ledge—ideal for sunbathing, splash play, or relaxing with a cold drink in shallow, soothing water
- **Generous Swimming Area** – Whether it's floating, fitness, or family fun, *The Roatan Beach* offers plenty of space to enjoy every moment.
- **Tropical-Inspired Freeform Shape** – Its smooth curves and flowing lines bring an organic, beach-like feel to any backyard design—modern or natural.
- **American-Made Durability** – Crafted with Rainforest's signature high-quality fiberglass for long-lasting performance, low maintenance, and timeless beauty.

*From weekend pool parties to quiet morning dips, The **Roatan Beach** delivers the feel of a luxury island resort—right outside your back door.*

**Rainforest Pools N Composites – Where Craftsmanship Meets Paradise - Let's build your dream escape. Manufactured in Longwood, FL, USA // Distributing Nationwide**
