

# ROATAN

FACT SHEET

***The Roatan: Laid-Back Luxury with a Touch of Island Soul:*** Say hello to ***The Roatan™*** — the perfect blend of elegance, function, and tropical flair. Inspired by the relaxed lifestyle of the Caribbean's Roatán Island, with its fluid lines, built-in comfort features, and mid-size footprint, ***The Roatan™*** is ideal for homeowners who want style without compromise.

## Features You'll Love

- **Smart Mid-Size Design** – Big enough for fun, compact enough to fit comfortably in most backyards. ***The Roatan*** is great for anyone who craves their own slice of paradise.
- **Organic Freeform Shape** – Soft curves and tropical-inspired lines complement both modern and natural landscaping.
- **Built to Last** – Made in the USA – Crafted with premium, American-made fiberglass for unmatched durability, chemical resistance, and low-maintenance living.

*From early morning dips to sunset swims, **The Roatan** turns every day into a mini vacation—no passport required.*

**Rainforest Pools N Composites – Where Craftsmanship Meets Paradise - Let's build your dream escape.**
