

NEBLINA BEACH

FACT SHEET

The Neblina Beach - Your Everyday Escape. Inspired by the Coast. Built in America.

Welcome to ***The Neblina Beach*** — where timeless design meets everyday luxury. This elegant fiberglass pool model from Rainforest Pools offers the perfect blend of modern style and coastal comfort, designed to make your backyard feel like a private beachfront resort.

Signature Beach Entry Shelf – Step into relaxation with a spacious Baja-style ledge perfect for sunbathing, lounging with friends, or letting the kids splash safely in shallow water.

Generous Swim Area – Whether you're doing laps, floating under the sun, or entertaining guests, *The Neblina Beach™* gives you room to move and space to enjoy.

Built-In Seating & Steps – Strategically designed seating ledges and slip-resistant steps offer both form and function, adding comfort without compromising style.

Rainforest-Strong – Proudly made in the USA with high-performance fiberglass for

unmatched durability, low maintenance, and decades of enjoyment.

From tranquil solo swims to lively summer gatherings, The Neblina Beach™ turns every day into a beach day—without ever leaving home.

Rainforest Pools N Composites – Where Craftsmanship Meets Paradise - Let's build your dream escape. Manufactured in Longwood, FL, USA // Distributing Nationwide
