

BELIZE

FACT SHEET

Key Features

Wide-Open Swim

Area: Its generous **14' x 29'** layout leaves plenty of open water for swimming, floating, exercise, family play, and entertaining.

Convenient Center Entry Steps: Centrally positioned steps provide comfortable

pool access while helping preserve the open swim lane.

Comfortable Depth Range: A gradual depth from approximately **4' to 6'** provides shallower space for casual enjoyment and deeper water for active swimming.

American-Made Fiberglass Pool: Manufactured in Orlando, Florida with a smooth fiberglass surface designed for comfortable use, lasting beauty, and easier routine care.
