

BRASILIA

FACT SHEET

Key Features

Spacious Geometric Design

Wide, Inviting Entry Area

Generous Open Swim Space

Family-Friendly

Depth: A gradual depth from **3'6" to 6'** provides shallower water for

casual enjoyment and deeper space for active swimming.

Great for Entertaining: The spacious swim area and comfortable entry zone allow family members and guests to spread out, gather, and enjoy the pool together.

Versatile Backyard Appeal: Its timeless geometric shape complements outdoor kitchens, lounge furniture, covered patios, landscaping, and larger gathering areas.

American-Made Fiberglass Pool: Manufactured in Orlando, Florida with a smooth gelcoat surface designed for comfortable use, lasting beauty, and easier routine care.
