

Key Features:

Freeform Design – A comfortable family-size pool with flowing lines that create a relaxed, resort-inspired backyard look.

Full-Width Tanning Ledge – A generous shallow-water area ideal for lounge chairs, relaxing, young swimmers, pets, or cooling off at the water's edge.

4'5" to 5'6" Depth – A versatile depth profile that works well for swimming, floating, playing, and everyday enjoyment.

Great for Families & Entertaining – Separate areas for lounging and swimming make the Costa Beach comfortable for gatherings, family time, and casual backyard fun.

Relaxed Freeform Shape – Soft curves give the pool a natural appearance that pairs beautifully with landscaping, pavers, patios, and outdoor living spaces.

Easy to Personalize – Add LED lighting, waterline tile, heating or chilling, water features, and surrounding outdoor living upgrades.

American-Made Fiberglass Pool – Manufactured by Rainforest Pools in Orlando, Florida.
