

COSTA RICA

FACT SHEET

Escape to Pure Life with *The Costa Rica*

Key Features

Relaxed Freeform Design:

The Costa Rica's flowing curves create a softer, resort-inspired look that complements patios, landscaping, screen enclosures, and outdoor living spaces

Comfortable Mid-Size

Layout: Measuring 12' x 25',

the Costa Rica provides plenty of room for swimming and relaxing without requiring an oversized backyard.

Family-Friendly Depth: A gradual depth from 3'6" to 5'4" creates a comfortable balance of shallower water and deeper swimming space.

Designed for Outdoor Living: Its curved shape pairs beautifully with tropical landscaping, paver patios, lounge seating, outdoor kitchens, spas, and natural stone features.

American-Made Fiberglass Pool: Manufactured in Orlando, Florida with a smooth gelcoat surface designed for lasting beauty, comfortable use, and easier routine care.
