

COLOMBIAN RESORT

FACT SHEET

Features You'll Love:

12' x 33' Pool & Spa Combination

– A spacious rectangular design that brings swimming, lounging, and spa relaxation together in one integrated fiberglass shell.

Built-In Spa – Creates a dedicated

place to unwind, gather, and enjoy the water while keeping the main pool open for swimming and family use.

Generous Open Swim/Float Space – The long rectangular layout provides plenty of usable water area even with the spa and lounging features built in.

Designed for Entertaining – Distinct zones for swimming, lounging, and spa use make the Colombian Resort especially well-suited for gatherings and outdoor living.

Clean Rectangular Styling – Pairs beautifully with paver patios, outdoor kitchens, screen enclosures, fire features, lounge areas, and modern landscaping.

American-Made Fiberglass Pool – Manufactured by Rainforest Pools in Orlando, Florida.
