

The Macaw Cove is designed for homeowners who want comfortable lounging, easy entry, and versatile swimming in a compact, modern layout. This model features a spacious shallow lounging ledge and an open flat-bottom swim area ideal for relaxing, entertaining, and everyday backyard enjoyment.

Key Features:

Great for Entertaining: The shallow ledge and open area create natural spaces for lounging, socializing, cooling off, and enjoying time outdoors.

Built-In Shallow Lounging Ledge: The generous ledge is ideal for in-pool lounge chairs, young children, pets, or relaxing in shallow water.

Compact Footprint: At 10' x 23', the Macaw Cove brings multiple built-in features to smaller backyards, courtyards, and properties with limited outdoor space.

Clean Rectangular Shape: The modern rectangular design pairs beautifully with travertine, pavers, outdoor kitchens, screen enclosures, and contemporary backyard layouts.
