

NEBLINA BEACH

FACT SHEET

Compact Rectangular Design: The Neblina Beach offers clean, modern lines in a space-conscious **12' x 20'** layout that works beautifully in smaller backyards, courtyards, patios, and screen enclosures.

Integrated Beach Ledge: The shallow ledge creates a comfortable place to sit, cool off, enjoy a drink, supervise children, or relax at the water's edge.

Full-Length Built-In Bench: Generous integrated seating provides plenty of room for relaxing and socializing without taking away from the pool's polished, open layout.

Comfortable Flat-Bottom Depth: The consistent **5' depth** makes the pool well suited for floating, cooling off, casual swimming, and everyday relaxation.

Leaves More Room for Outdoor Living: The compact footprint preserves valuable backyard space for decking, landscaping, lounge furniture, covered seating, and entertaining areas.
