

ROATAN

FACT SHEET

The Roatan: Laid-Back Luxury with a Touch of Island Soul: Say hello to ***The Roatan™*** — the perfect blend of elegance, function, and tropical flair. Inspired by the relaxed lifestyle of the Caribbean's Roatán Island, with its fluid lines, built-in comfort features, and mid-size footprint, ***The Roatan™*** is ideal for homeowners who want style without compromise.

Relaxed Freeform Design: Flowing curves create a softer, resort-style look that pairs beautifully with patios, landscaping, screen enclosures, and outdoor living areas.

Generous Open Swim Space: The balanced 14' × 30' layout provides plenty of room for swimming, floating, playing, and enjoying time with family and friends.

Comfortable Built-In Seating: Integrated bench areas provide convenient places to relax, cool off, socialize, or supervise younger swimmers without reducing the main swim area.

Great for Outdoor Living: The natural freeform shape complements tropical landscaping, curved patios, lounge areas, outdoor kitchens, and relaxed backyard designs.
