

# ROATAN BEACH

FACT SHEET

## Features You'll Love:

**14' x 35' Freeform Design** – A spacious pool with flowing curves that create a relaxed, resort-inspired backyard look.

**10" Deep, Full-width Tanning Ledge** – A generous shallow-water area ideal for lounge chairs, relaxing, young swimmers, pets, or

simply cooling off.

**Built-In Cove Seating** – Comfortable integrated seating provides natural places to sit, gather, supervise swimmers, or enjoy the water without taking away from the open swim area.

**Great for Families & Entertaining** – The combination of tanning ledge, built-in seating, and open water creates distinct spaces for lounging, socializing, and swimming.

**Resort-Style Freeform Shape** – Soft curves pair beautifully with landscaping, paver patios, outdoor kitchens, spas, fire features, and expanded outdoor living spaces.

**American-Made Fiberglass Pool** – Manufactured by Rainforest Pools in Orlando, Florida.
