

The Radiant Island is pool designed for homeowners who want a balanced mix of lounging, swimming, and everyday backyard enjoyment. With a generous shallow lounging area, wide entry steps, and a deep-end swim this model offers comfort, versatility, and a clean modern layout for family fun, relaxation, and entertaining.

Key Features:

Great for Entertaining: The tanning ledge, steps, and open swim area create natural zones for relaxing, socializing, and enjoying time outdoors.

Family-Friendly Layout: The combination of shallow lounging, easy entry, and deeper swimming space makes this model appealing for a wide range of homeowners.

Built-In Tanning Ledge: The shallow ledge area is ideal for lounge chairs, young children, pets, or simply cooling off in shallow water.

Clean Rectangular Shape

The modern rectangular design pairs well with patios, pavers, outdoor kitchens, screen enclosures, and contemporary backyard layouts.
